

## **Announcement of B5GPC Open RAN promotion event on March 18**

Beyond 5G Promotion Consortium(B5GPC) would like to announce an Open RAN promotion event on March 18. This event is a kickoff for Open RAN discussion at the Subcommittee of B5GPC, which has established in January. Around fifteen operators and suppliers (Europe, the U.S. and Asia) will share the latest activities, challenges and expectations of Open RAN .

The event will have a simultaneous interpretation to English.
